Contact: Office of Policy and Legislative Affairs

Agency: Labor & Economic Growth

Topic:	Landlords and Tenants
Sponsor:	Representative Steil
Co-Sponsors:	None
Committee:	House Local Government and Urban Policy
Date Introduced:	June 30, 2005
Date of Summary:	July 29, 2005

The bill amends Section 11 of Public Act 348 of 1972 by changing the reference section for notifying the landlord of the tenant's new address from Section 3 to Section 4. This appears to a purely technical amendatory bill. Section 3 is the section that provides for the landlord's notification to the tenant of the address for receipt of communications under the act.
